HIGHLIGHTS

PRESTIGE 1400 INTELLIGENT PERFORMANCE

FEATURED AS STANDARD

INTELLIGENT PERFORMANCE

52 x 200 W

Intelligent Performance considers the different lamp positions in the tanning tunnel and adjusts the power accordingly. For an overall even and up to 30% more intensive tan.

ULTRA PERFORMANCE +

4 x 520 W

The Ultra Performance Plus technology with glass reflectors incl. UV-B spaghetti lamps and special filters stands for new efficiency in the facial tanning area.

SHOULDER TAN

2 x 240 W

Optional high-pressure shoulder tanners give you additional tanning to the shoulders with innovative Ultra Performance technology.

LED LIGHT SHOW

High quality performance LED's guarantee an impressive colour brilliance with more than 200 colours and light effects. Up to 80% energy saving and an operating life of more than 30.000 hours.

INTERIOR LIGHT

The new LED interior light emphasizes the features in the tanning tunnel. The brightly illuminated tanning tunnel appears particularly hygienic and invites your customers to tan.

MULTI RELAX

220 x 95 CM

Our ergonomically designed base acrylic with an integrated head cushion, comfortable arm dips and adjustable footrests will give you comfort second to none during your tanning session.

COMFORT COOLING +

Comfort Cooling Plus coats body and face with a pleasant cooling air flow. The ventilation for face and body automatically ensures the right climate.

CLIMATRONIC PLUS

With Climatronic Plus the required temperature is achieved quicker due to the closed tanning tunnel and is held consistent even during extreme indoor climate.

AQUA FRESH

The Aqua Fresh ensures a pleasant refreshment during the tanning session spraying a mist of essences into the tanning tunnel.

AROMA

The aroma function provides a discreet scent in the tanning tunnel and cabin. So that you can enjoy the tanning session with all senses.

3D SOUND

Our 3D-Sound System will bathe you in a sumptuous sea of sound as you tan. The system consists of two speakers, a subwoofer, and an SD card slot and MP3 dock-in.

BLUETOOTH CONNECT

Using Bluetooth Connect, the customer can wirelessly transfer their favourite music from their own smartphone to the sunbed. It is really easy to use during the tanning session using the control panel.

VOICE GUIDE

Voice Guide walks you through every step in a pleasant, friendly voice as you control the sunbed.

ECO TECH

Dynamic electronic ballasts, efficient LED lighting and intelligent energy saving settings guarantee a high energy efficiency.

NFC CONNECT

With NFC Connect various comfort settings can be saved on the customer card – all individual preferences are already set for the next visit. It's simple!

CONTROL CENTER

With the Control Center all comfort settings can be adjusted even before the tanning session within seconds. The large exterior display panel makes operation more convenient than ever before.
